

Programme for Accelerating the Reduction
of Maternal and Child Mortality in Namibia

VACCINATION SAVES LIVES!

14th - 18th
November
2016

The Ministry of Health and Social Services will be vaccinating and providing other services to children under 5 years of age and women of child bearing age (15-49 years old) as part of the Maternal and Child Health Week.

Take your child to the nearest clinic, health center, mobile health point or hospital.
