

Wash your hands to prevent Coronavirus

Wash your hands with soap and water for 40 seconds,
or an alcohol-based hand rub regularly throughout the day.

Here are five key moments for public transport:

**Before going on
public transport**

**After touching doors,
handrails and money**

**After making contact
with other people**

**Before touching your
eyes, nose or mouth**

**When you arrive
at your destination**

How to stay healthy on public transport
